TRIBAL NATIONS

- OSAP works with Tribal Nations across New Mexico on primary prevention to reduce alcohol misuse and prescription opioid misuse and overdose death prevention

OSAP Contact

- Karen Cheman
- Antonette (Tone) Silva-Jose
- Jay Quintana

PAX GOOD BEHAVIOR GAME

- Purpose: PAX GBG is an evidence-based trauma informed care program that utilizes positive reinforcement and contingency management to build self-regulation skills among youth. Served: Students in Pre-Kindergarten through 8th grade classrooms through teacher training.
- Where: 18 School Districts in Albuquerque, Aztec, Carlsbad, Chama, Deming, Espanola, Farmington, Hatch, Las Cruces, Pojoaque, Santa Fe, Socorro, Taos, and Tucumcari.
- Successes: For FY21, the program trained to 450 teachers, 78 administrators and 351 special staff. 9,426 students were served. Preliminary results show a 49% reduction in spleen counts, impressive for a school year impacted by the pandemic.

THANK YOU!
