

OFFICE OF SUBSTANCE ABUSE PREVENTION

Prevention Workforce Training System

Kamama Consulting

What is the training system?

Strengthening and elevating the substance use prevention workforce

- Funded by the NM Office of Substance Abuse Prevention to increase the capacity of preventionist to deliver effective prevention services to their communities.
- All training provided by the training system is approved for Form C.
- All training provided by the training system counts towards Certified Prevention Specialist training requirements.
- Provide training specifically geared to the needs of OSAP.

Who Can Use The Training System?

CORE TEAM

- Each OSAP funded program is eligible to have 5-7 people who can attend training for free. These should be people who are actively engaged in helping your OSAP funded program be successful in your community.
- The Core Team list is maintained by OSAP.
- Changes to the Core Team must be submitted to OSAP Program Manager.
- Lists are updated the 1st of every month.

OTHER PROFESSIONALS

Training is also available for a fee to anyone not on a Core Team.

How do I take training?

It all starts on the website
