It's that time of year to support the New Mexico Health Services Division, Office of Substance Abuse Prevention (OSAP). OSAP will be offering their annual public survey online this year. The survey period begins on February 24 and ends on April 27.

OSAP has our approval to place posters and flyers in our MVD field offices throughout this period. The posters and flyers will display information about the survey, including a QR code and web link to access it. OSAP staff will also leave postcards for our teams to distribute to customers. Additionally, some providers are approved to conduct active recruitment in the lobby during this time, but they will be working with the office management team directly on feasibility.

OSAP representatives will visit offices to install signs on walls, front windows, and other appropriate areas. They will identify themselves and present this verification letter upon arrival. The OSAP survey process is not expected to disrupt MVD operations.

This project supports substance abuse prevention efforts in local communities and across the state. Their work is vital to the health and well-being of New Mexico. Let us warmly welcome OSAP staff and support this important initiative.

MVD staff are encouraged to participate in the survey and to share it with family and friends who live in New Mexico.

If you have any questions or concerns, please contact me directly at (505) 470-9149 or via email at htet.gonzales@tax.nm.gov.
